Rugby League

Unfortunately, it has become apparent that only students who are turning 11 or 12 this year will be eligible to play Interschool Rugby League. While I understand this is disappointing to some students, please rest assured this was not a school based decision and is out of our control. The same ruling is applied to all schools. The ruling body has made the decision that students must be turning 11 years old this year to be eligible to play. For those that this has affected, while it may be cold comfort, there is always next year.

Preliminary P&C Meeting

We will be having a quick P&C meeting on the afternoon of 17th February from 2:30 to 3:00pm. Please come along and be involved in what is happening in the school. This is a preliminary meeting and will be followed by our AGM in the coming weeks.

Writing Contest

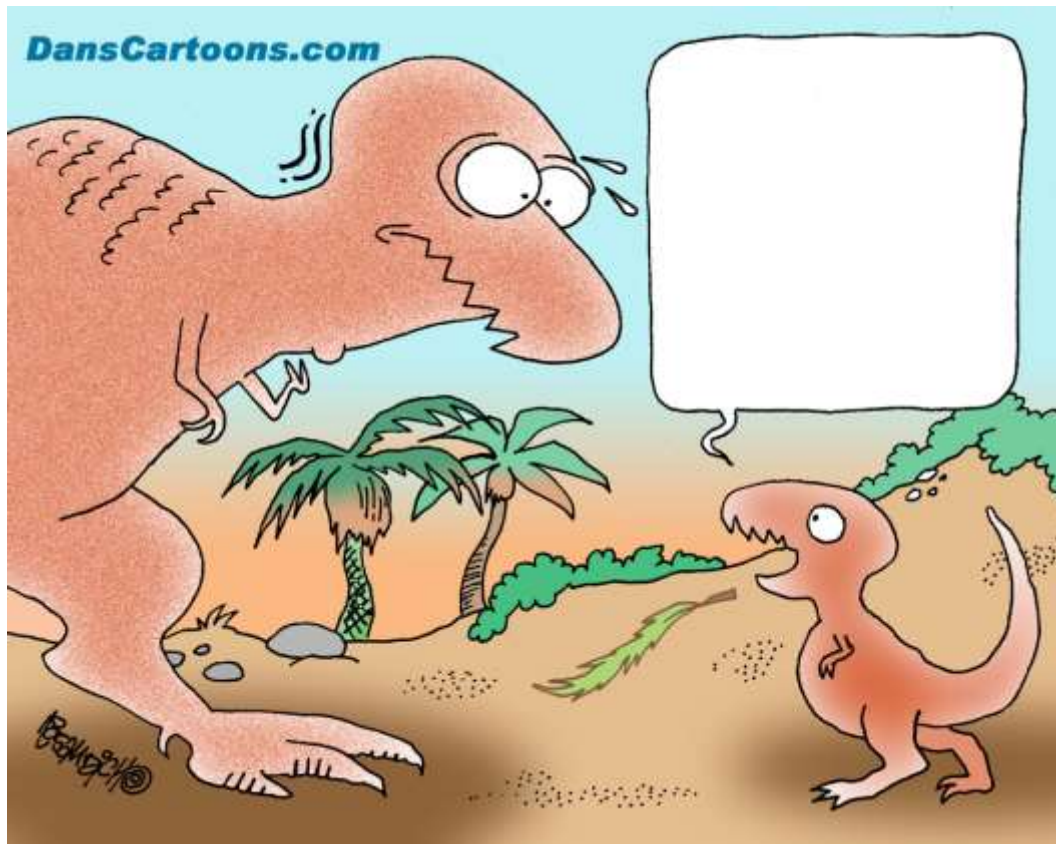

On the rear of this newsletter you will find the first of our fortnightly writing contests. As mentioned in the previous newsletter, there will be a school magazine at the end of this year that will be filled with student work and photographs of the many exciting things that we do to make our school great. To promote writing and to motivate students to write regularly there will be a writing competition in every second newsletter that is open to all grades. The winner will receive a prize and have their work feature in the school magazine. The work should be the student's own but Mums and Dads are more than welcome to give ideas and help the Preps and 1's to write. This week's competition is to simply write a funny caption for the cartoon (PTO). All entries need to be handed to class teachers by next Monday afternoon.
