Cross Country**

SWPBS Expectations

I am Safe

Move safely around the school

I am Respectful

**Ensure all rubbish is placed in
the bin**

I am a Learner

**Be organized and ready for
each session**

Principal's Messages

Parent Night Success

Thank you to all of the parents who attended the Parent-Teacher Meet and Greet night, last week. It was excellent to see most of our families at the event and shows your commitment to your child's education. Well done, parents!

Visiting School

While we love to see parents at school and we do not want to discourage anyone from coming into the school grounds, we do need parents to come and sign in at the office if they are at school after 9am. There are a couple of reasons for this but they all boil down to the safety of students. It is important that the office knows who is on the school premises so that if there is a report of a non-staff member sighted in the school we can easily check if it is someone who should be here. Thank you for your assistance in this matter.

Writing Contest

On the rear of this newsletter you will find our next fortnightly writing competition. Last fortnight's winner was Emily Blokland from Year One who received her prize on assembly last Friday. This competition this time is to write a description of the alien pictured on the back page. The most creative and funniest entry will win. Entries close on Wednesday, 2nd March at 4pm.

Clean Up Australia Day

We have registered to be a part of Clean Up Australia Day on Sunday 6th March. All students are invited to attend and help clean the school grounds and surrounding footpaths and gutters. These areas are vital to keep clear of rubbish as they lead straight to our waterways and can lead to devastating effects on the environment. Everyone who attends will receive a certificate and an ice block, as well as have the warm feeling of a job well done!

Assembly Award Winners

**Queensland
Government**
