Principal's Messages

Netball & Rugby League

Interschool Rugby League and Netball will take place all day on Friday. If possible, it would be appreciated if you could have your child at their respective destination by 9am of Friday morning it will assist in helping to make the day run smoothly. The Rugby League trials will take place at Friemann Oval and the Netball trials will be at the Charters Towers and District Association Netball courts. You may collect your student at 3pm or there is a bus to bring them back to school if needed.

Homework Club

If you would like to have your child receive assistance with their homework to make sure they are getting it done and to the best of their ability, come and let the office know. After a parent enquiry, we are looking at setting up a homework program at the school and would like to know if it is a viable option. Simply drop into the office and register your interest with Miss Kaylene, Miss Colleen or Mr. Barath and then watch this space for further details.

Class Websites

Our new class websites should be mostly uploaded to the school site by the end of this week. I know this was mentioned last week but we really should have them all up and running by the end of this week. Go and have a look under the curriculum section to see how it is going and what your child's class is up to this term.

P & C Annual General Meeting

Unfortunately, we have had to delay our P&C AGM as our financial books have not been finalized for 2014 by the accountant yet. At this point in time, the meeting will be held next week, but watch the newsletter for a definite time.
