## Principal's Messages

### After School Waiting

Can parents please wait for students under C Block before the end of school. There have been a number of parents waiting on verandahs, outside of classrooms. This can be distracting for students and also creates a bottleneck of people when students leave class.

### Parking At School

Please note that as School Principal, I have no control over parents' actions outside of the school grounds, including parking. This is the realm of the Queensland Police Service. However, I am aware of complaints regarding members of the public disregarding parking signs around the school. These actions put students at risk as they make their way to and from school each day. I have referred my concerns to the QPS and I encourage all parents to follow the road rules and signage when driving and parking around the school.

### P&C Meeting

Please, come along to our first P&C meeting of the year, this Wednesday, 15<sup>th</sup> March at 2pm. All are welcome and we have lots of big plans for this year including the Biennial School Fete to discuss.

### School Photographs

School photographs will take place on Tuesday 21<sup>st</sup> March, this year. It would be appreciated if students could come to school on the day in their uniform, with neat hair and closed in shoes.

### Shave For A Cure – Crazy Hair Day

This Friday is the Shave For A Cure – Crazy Hair Day at Central. Students may come with Crazy Hair and give a gold coin donation or may have their hair done in the afternoon session for \$2. Fairy Floss is also available to order (see attachment) If you do not wish your child to have their hair sprayed please fill out the attached form to insure this does not happen.

### Writing Competition

Our latest competition is to create a word find about Charters Towers. There is a template on the back of the newsletter to make it easy for you. The winner will receive a very colourful prize on assembly! Entries close on Thursday, 16<sup>th</sup> March.
