## Principal's Messages

### Welcome to Term 2 – It's Going to be Fun and Busy

I hope everyone had a safe and happy holiday. It is going to be an action packed term with the following events all taking place; ANZAC ceremonies and Parade, Country Music Parade, NAPLAN, Under 8's Day, Inter-school Cross Country, Inter-house Athletics, Book Fair, Life Education Van Visit and P&C Cent Sale.

Please see our Facebook page for the full term calendar.

### Newsletter & Community Noticeboard

I have made the two noticeboards at the front of the office into dedicated noticeboards – one for newsletters (all of Term One's are up there now) and the other for community notices. Feel free to advertise community events or to place for sale advertisements that are suitable for the school community.

### Autism Awareness

On the 20<sup>th</sup> April we will be celebrating Autism Awareness Day by having yellow and blue cold cups at school. Students who wish to bring in a gold coin donation can also have their hair sprayed with a yellow or blue jigsaw piece before 9am by P&C members.

### Playground Equipment During School

We are looking at putting in some new playground equipment at school. The old climbing bars in Aland St (2/3 area) have been taken out and we are investigating putting in a small climbing net. In the Prep/1 area we are building a large scale model of the Townsville 400 track (5m x 10m) that the children can play with matchbox cars on.

### Playground Equipment After School

There will no longer be any students allowed on play equipment after school even if they have parental supervision. It has been brought to my attention by WHS that even though students are under parent supervision because there are teachers on duty then there is still a duty of care that is owed by the school. As we don't have enough staff to supervise all areas then there can be no play on equipment after school.

### Free Fishing Fun Day for Prep – 2 Students Sunday 17<sup>th</sup> April 8am at the Weir.

Come down to the Weir this Sunday for a free fishing lesson from the Charters Towers Fish Stocking Group. Our school has been lucky enough to be chosen to receive free fishing lessons and some goodies. Students, accompanied by a parent, will receive Free morning tea
