## Principal's Messages

### Dress In Blue For Autism

This Wednesday we are having a dress in blue for Autism day to raise awareness and support for people with Autism in our society. Students can bring along a gold coin donation to support Autism Queensland.

### School Maintenance

You will notice a lot of work being done around the school in the next month. Already port racks have been painted and a large, unstable tree has been removed. As part of the annual maintenance to the school there will also be a number of rooms and buildings painted, gutters cleaned and repaired, new carpets and flooring and repairs and upgrades to toilets. Some of these things will require a few classes to relocate to another room for a few days. But of course, when they return it will be worth the relocation due to greatly improved learning areas. There will be more news on this in the next two weeks.

### New Technology

Prep, Prep/1 and Year 3 will be receiving new interactive televisions this week which will mean that all classes at Central have access to individual class based interactive touch devices. All of our students are able to have their lessons delivered with cutting edge technology which helps keep them interested and motivated while learning.

### Playgroup

Playgroup began last Friday from 9am to 10:30am. It will be held again this Friday, at the Prep building and will be run by Miss Mathews while the Prep class is at Physical Education and Library. There will be no charge for this term. All children under 5 are welcome.

### Mothers' Day Stall

Don't forget small items will be for sale by the P&C at the tuck shop on Wednesday and Thursday this week for students to purchase for Mothers' Day. Prices range from \$1 upwards.
