## SWPBS

### I Am Safe

Listen to and follow directions carefully.

### I Am A Learner

Do my work to the best of my ability.

### I Am Respectful

Encourage, support and respect others.

Queensland  
Government

## Principal's Messages

### P&C Meeting Tomorrow

The P&C meeting is on tomorrow from 2.30pm until 3pm. I am bringing my famous fruit and chocolate dipping sauce and we will continue discussing the Fete/Community Day/140<sup>th</sup> Anniversary, all the new work in the school and the new Homework Club.

### Homework Club

An expression of interest note is on the back of this Newsletter regarding the formation of a once per week Homework Club at school. Please return it to school if you are interested in your child attending. Once we have an idea of numbers we can begin organizing supervisors and get the ball rolling.

### Early Reading Workshop

Please also see the back of the newsletter regarding a free Early Reading Workshop that is being held at the school in a few weeks' time. It is being run by two highly regarded experts from Townsville and is open to parents from all State Schools. Please ring the listed number to book your place as soon as possible.

### Working Together For Better Results

Research shows that the more parents are actively involved in their children's learning, the better their results are. To assist in this, you will find attached to this Newsletter, a copy of the Know and Able To Do tables for your child's current units of work in English, Maths and Science. These tables show the knowledge and skills that your child will need to have to complete their current assessment tasks successfully. An overview of the tasks is also attached. For students in Prep these tasks take the whole Term to complete whereas other grades complete two tasks per term per subject, in most cases.

This information will be provided to you at the beginning of every 5 week block (excepting Prep students) so that you can talk to your children about their school work, check on their progress and assist where you can. Together, we can go from good to better!

## Student Awards
