Principal's Messages

Year 1 & Year 3 Temporary Move

By now, you may well be aware of the fact that Year 3 & Year 5 have relocated to B Block (near the oval). This is only for a few weeks so that their classrooms can have upgrades in painting and flooring. They should be all moved back into their new and improved rooms within two weeks.

Under 8's Day

Under 8's day will take place at Prep on Tuesday 26th May from 9am until 10:55am. There will be the rock wall from PCYC, face painting, singing, dancing, craft and all sorts of fun activities for young children. You are invited to attend and take part in the fun and frivolity.

Early Reading Workshop

Please also see the back of the newsletter regarding a free Early Reading Workshop that is being held at the school next week. It is being run by two highly regarded experts from Townsville and is open to parents from all State Schools. Please ring the listed the school on 47562333 to book your place as soon as possible.

School Review

Next week, you may see some visitors around the school who will be conducting our Full School Review. This is a process that every Queensland State School goes through every four years to look at the next step in making their school the best it can be.

The people reviewing the school are all Principals who have a wealth of experience and will be giving the school feedback and advice so that the school can then plan its next four years effectively.

You may be approached by them for a quick chat so they can gather some opinions and information on how you think the school is running. Don't be alarmed and feel free to give them your honest opinions as all information is strictly confidential. Don't forget to tell them about the excellent teachers we have and Mr Barath's awesome ties that he wears.
