### School Fete

As has been mentioned in previous newsletters, we are holding a fete to celebrate the school's 140<sup>th</sup> anniversary this year in August. As part of the celebrations we will be opening the school time capsule from 1975 and displaying many of the school's historical items and documents. We will also be having all of the sorts of fun activities and stalls that you would expect at a school fete, like a Tombola, Cake Stall, Second Hand Books, Pick-A-Stick and maybe even Dunk The Teacher. To help with this, any donations that you can give to the school will be gratefully accepted at the office. (please see the back page for more details.)

### Report Cards

Report cards will be sent home on Tuesday, 23<sup>rd</sup> June for Semester One. If parents could please read their children's report cards and make an appointment to see their teacher's as soon as possible if there are concerns or problems. Similarly, if there are typographical issues or spelling errors on report cards, please come and see the office staff straight away and we will fix them for you immediately and print a new copy. Every effort is made to avoid these issues but, as you can imagine, with two hundred reports going out on the same day these issues can arise.

### Dress Like A Pirate Day

This Friday, 12<sup>th</sup> June, we are celebrating Pirate Day Friday. This is a national fundraising day raising funds and awareness for research into the cure and prevention of Childhood Brain Tumours. The event takes place annually on the second Friday in June and is on the same day as white eye patch day (the international fundraising day for Childhood Brain Tumours). On the primary schools from all over the country host a Pirate themed free dress day. This means the kids (and the teachers) get the chance to dress up as pirates for the day in exchange for a gold coin donation.
