P&C Meeting

The P & C Meeting is on tomorrow at 2:30 pm in the staff room as the meeting room is full of items for the fete. All are welcome! If you have never been before, tomorrow we are mapping out the fete and this time definitely discussing the new house uniforms.

Oval Upgrade

Steve will be hard at work in the coming weeks replacing all of the sprinkler systems on the senior oval. This will mean for at least this week (and possibly next week) students in Years 4, 5 & 6 will have to play in the shaded area next to the Prep building. This has also meant that we have had to move our at home cricket games to BTC, which is a shame but the oval had to be addressed before Summer catches up with us.

Welcome Miss Fleischfresser

Today is Miss Fleischfresser's first day as our new Year Three teacher. Please make her feel welcome and say hello if you see her around the school.

NAIDOC ART

A very big THANK YOU to Keesha Kelly and Sharmayne Moore for the fantastic art workshops that they ran at the school with every class. It has given us the basis for our NAIDOC celebration on the 20th August which will include the unveiling of our brand new Aboriginal and Torres Strait Islander flags, art display and lunch. We are hoping to have a hangi but this will depend on the availability of Mr Kennedy. If there is a parent who can help with this, please contact Mr Barath as soon as possible.

Technology and School Collection

If your child has a mobile phone it must be handed into admin at the start of the day and collected at the end of the day.

Also, students must be collected by 3.15 pm as this is when our duties are finalized for the day. Any late students must be collected from the office.
