Government**

Principal's Messages

School Fete

What a fantastic fete we had and what a fantastic amount of support from everyone in our school community that made it so special! If I was to write a list of people to thank it would take up the whole newsletter but I would like to acknowledge everyone who is involved in the P&C who put in the extra effort that made the day great.

At the end of the day, the P&C made just under \$4000 which will be well spent in the very near future. There are some photograph's from the day on the back of today's newsletter.

Footy Colours Day

This Friday is Footy Colours Day. Students are invited to wear their favourite team's colours in support of the fight against cancer. A gold coin donation is requested from those students who participate and will be forwarded to the charity.

Yr 4/5 Camp

Congratulations to the Year 4 and 5 students who went on camp at Virginia Park Station last week. They had a great time and their behavior and participation was excellent. The owners of the station said they were one of the best groups that they have had through their facility. Congratulations and thanks also to all of the teachers who organized and attended the camp.

Hearing Screening

Hearing Screening will be taking place for indigenous students in Prep to Year 3 and in Year 6 on Wednesday 16th September in the library at school. So far, only 11 students have returned their notes to attend. This is a valuable free service and as a school we support it as it can provide valuable information for teachers and parents and minimize later health risks. If you would like to collect another form for the service, please see Miss Kaylene in the office
